

Memorial Bench Program

Historic Bench

Dumor Bench

Teak Bench

Why support the memorial bench program?

By adopting a bench, you can honor your loved one while enhancing the aesthetics of the Westchester County Park System. Adopting a bench will improve a park by offering a resting place for leisure and relaxation.

Can I make a dedication for other occasions besides memorials?

- Adopting a bench makes an excellent gift for any occasion. They are the perfect way to honor someone you love or remember a special event. They are a unique present for birthdays, anniversaries, graduations and much more!

How much does the memorial bench program cost?

- The program price depends on the Park and the type of bench at each location. A new bench ranges from \$3,000.00 - \$5,000.00. Purchasing an existing bench ranges from \$1,800.00 - \$2,100.00. The package includes the bench as well as a bronze plaque designed by the family, installation, and perpetual care.

Can I choose the inscription on the plaque?

- Yes, there is a 16-word maximum.

Where will my bench be installed? Can I choose the location?

- Benches are available in all Westchester County Parks, with the approval of Westchester County Department of Parks, Recreation and Conservation. Benches are no longer available at Bronxville Lake. Only existing benches are available at Kensico Dam.

- For new Bench installation, we have 3 Benches to choose from. The Park you choose will determine which type of Bench you may install, as all benches must remain uniform in each park.
