

Tree Trust Program

Why support the Tree Trust?

By planting or preserving a tree, you are creating a living memory that will last for generations, while caring for the environment. Trees are a lasting tribute that provide clean air, ease noise pollution, create habitats for wildlife, and control erosion.

How much does the tree trust program cost?

- There are two options:
- Purchasing an existing tree is \$1,900
- A new memorial tree will cost \$2,550

The cost of both includes a bronze plaque designed by the family, installation and perpetual care.

Can I choose the inscription on the plaque?

- Yes, there is a 15 – 16 word maximum.

Is there a list of trees I can choose from for new installations?

- Yes, below is a list of trees available through our program:

Red Maple	Shadblow
Sugar Maple	White Pine
Sweetgum	White Spruce
Red Oak	Winter King Hawthorn
White Oak	Sweetbay Magnolia
Pin Oak	Bald Cypress
Sycamore	River Birch
Flowering Dogwood	Tupelo
Redbud	Hackberry
	Tulip Tree

*Species selection will depend on the location chosen.

Where will my tree be planted?

• Trees are planted in any Westchester County Park, with the approval of the Westchester County Department of Parks, Recreation, and Conservation. Find a list of all Westchester County Parks here: parks.westchestergov.com/parks-and-destinations
Note: Plaques are no longer available at Bronxville Lake.

Can I make a dedication for other occasions besides memorials?

• Adopting a tree makes an excellent gift for any occasion. Trees symbolize growth, strength, and success. They are a unique present for birthdays, anniversaries, graduations and much more!
